(SCHILLER PARK, IL) – February 1, 2019

PSAV, a global leader in event experiences, announced today that Bill Brown, has been named to lead both the FMAV and PSAV divisions in Canada. In his expanded role, Brown will focus on aligning the respective services of both organizations while continuing to improve on how the company serves customers nationally.

“Bill has vast experience leading customer-focused businesses in the events and technology industries,” said Mike Stengel, Senior Vice-President, PSAV. “His approach to building the FMAV business to where it is today has been admirable and aligns very well with our purpose, mission and customer-centric culture at PSAV. We look forward to continuing to build on that momentum across both brands in Canada.”
