

Sponsorship Solutions

Solutions In This Guide

Gobos

Projected on walls, floors or ceilings, a logo grabs attendee attention and is often captured in photographs highlighting event sponsorship

Digital Displays

Displayed throughout the venue, sponsor logos or highlight reels cycled frequently offer numerous opportunities to leave a lasting impression

Encore RSVP

An affordable and easy-to-use event webpage builder, sign-up form creator, invite and check-in tool with a space for sponsor logos and web link

Polling+ or Chime Live Sponsor

Provide the opportunity to deliver interactive engagements like live polls through sponsored sessions

Social Media Wall

Sponsor logos and/or their event feeds can be added to digital displays around the venue

Wi-Fi Network Branding

The Wi-Fi landing page features their brand logo front and center, offering participants a reliable connection and increasing their brand's exposure.

Printed Branding

Add printed graphics and logos to approved columns, stairs and other venue-provided locations

Sponsor Booths / Kiosks

In common areas or on the exhibit floor, we can help you deliver any experience or solution to generate brand positivity and interest

CatchBox Microphone

Create a fun and memorable experience with a branded, throwable microphone, featuring your sponsor's logo or message

Portable Power Stations

Sponsors can brand power stations for recharging phones or other personal devices

Gobos

Gobos are custom metal or glass templates placed in lighting fixtures. They are a cost-effective way to sell sponsorships while also being an environmentally friendly option.

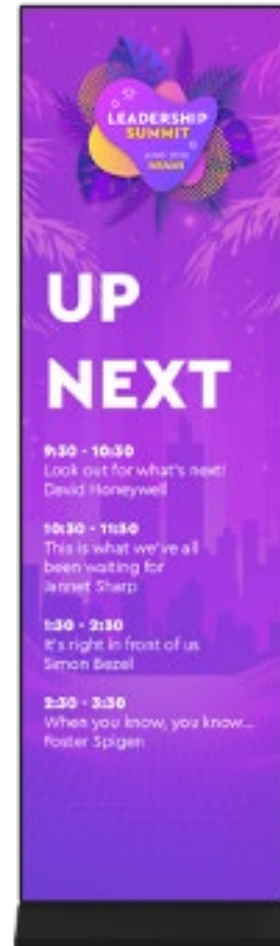

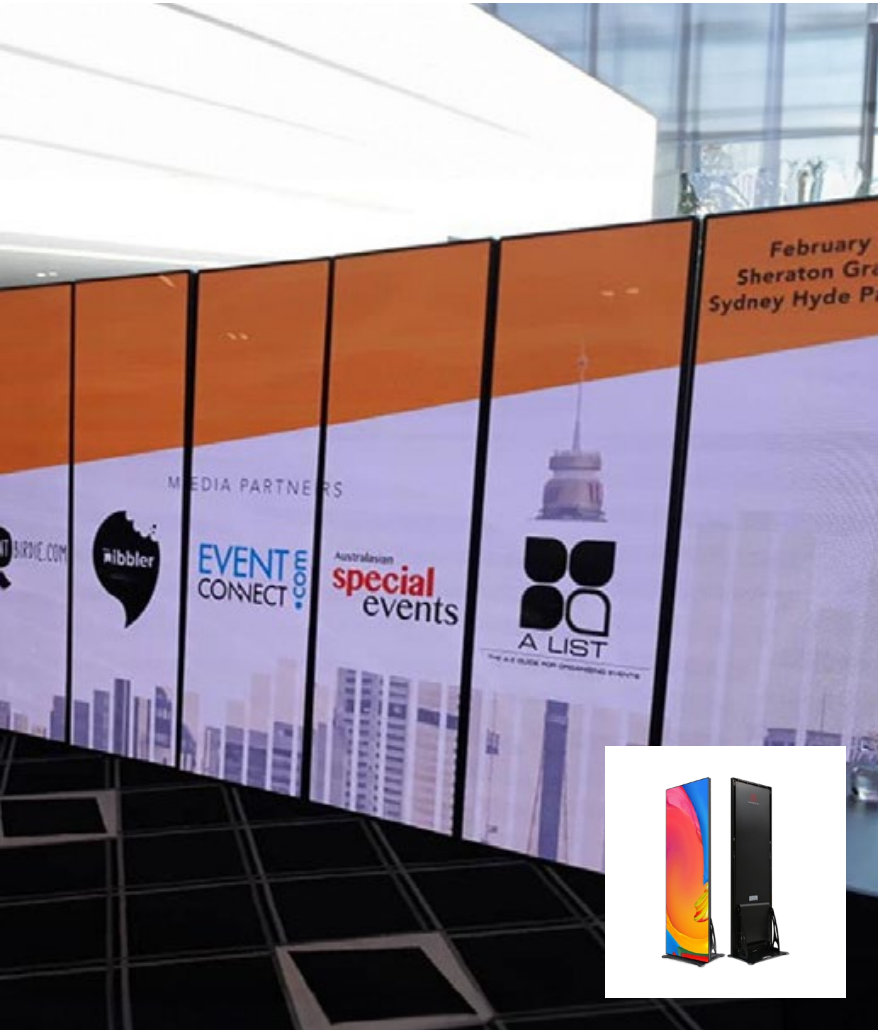

Transform a simple registration area, exhibit room or cocktail reception into an inviting atmosphere set against color and light.

Elevate your sponsorship offering by including a complete logo package: both a gobo projection and an animated logo.

Digital Displays

Screens in high-traffic areas offer a standout sponsorship opportunity with less impact on the environment.

Registration Banner

A fully customizable website, easy guest list management, integrated check-in and more.

**Zero to live
- in minutes**

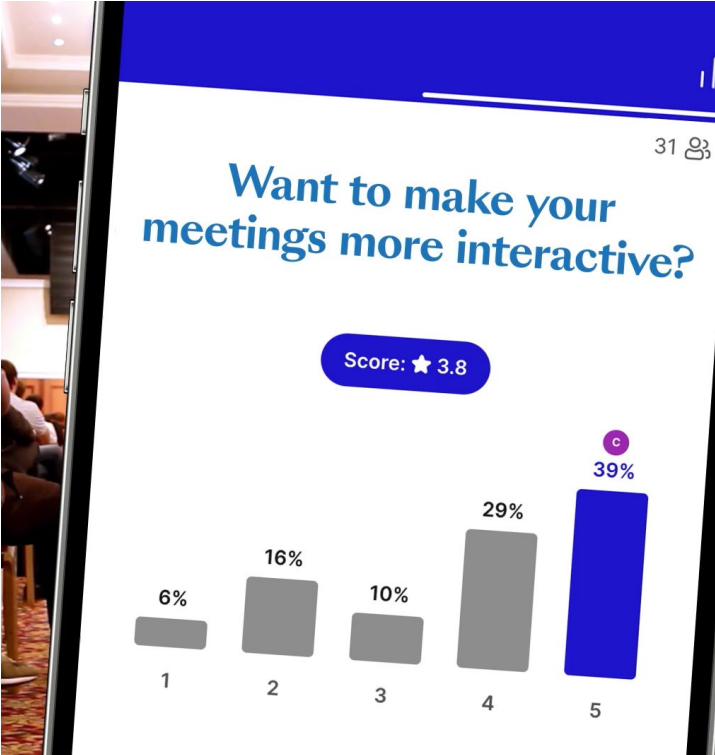

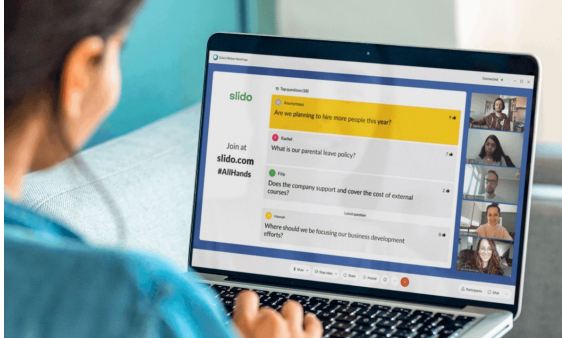

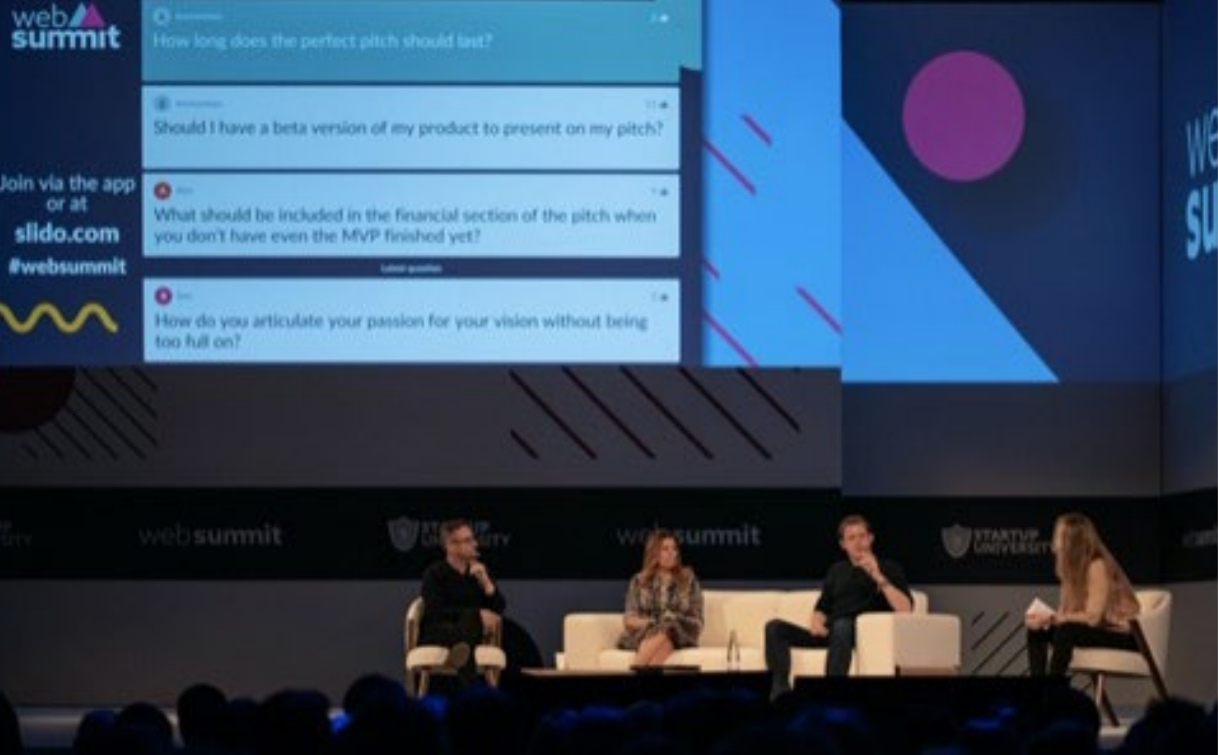

Sponsorship Opportunity

Add a sponsor banner to Encore RSVP, our registration app that's easy to setup and use.

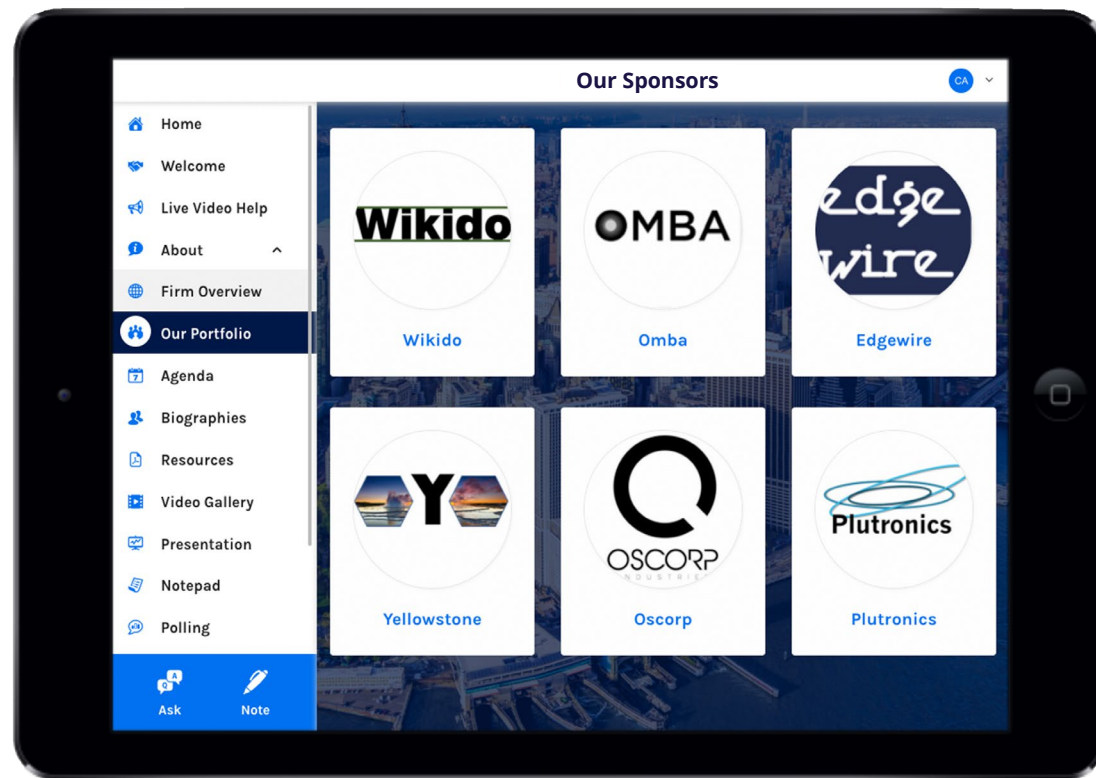

Polling+ Sponsored Sessions

Boost session engagement and participation with sponsored segments. Capture sentiment and feedback with polls and Q&A via mobile and remote devices.

Chime Live Sponsored Sessions

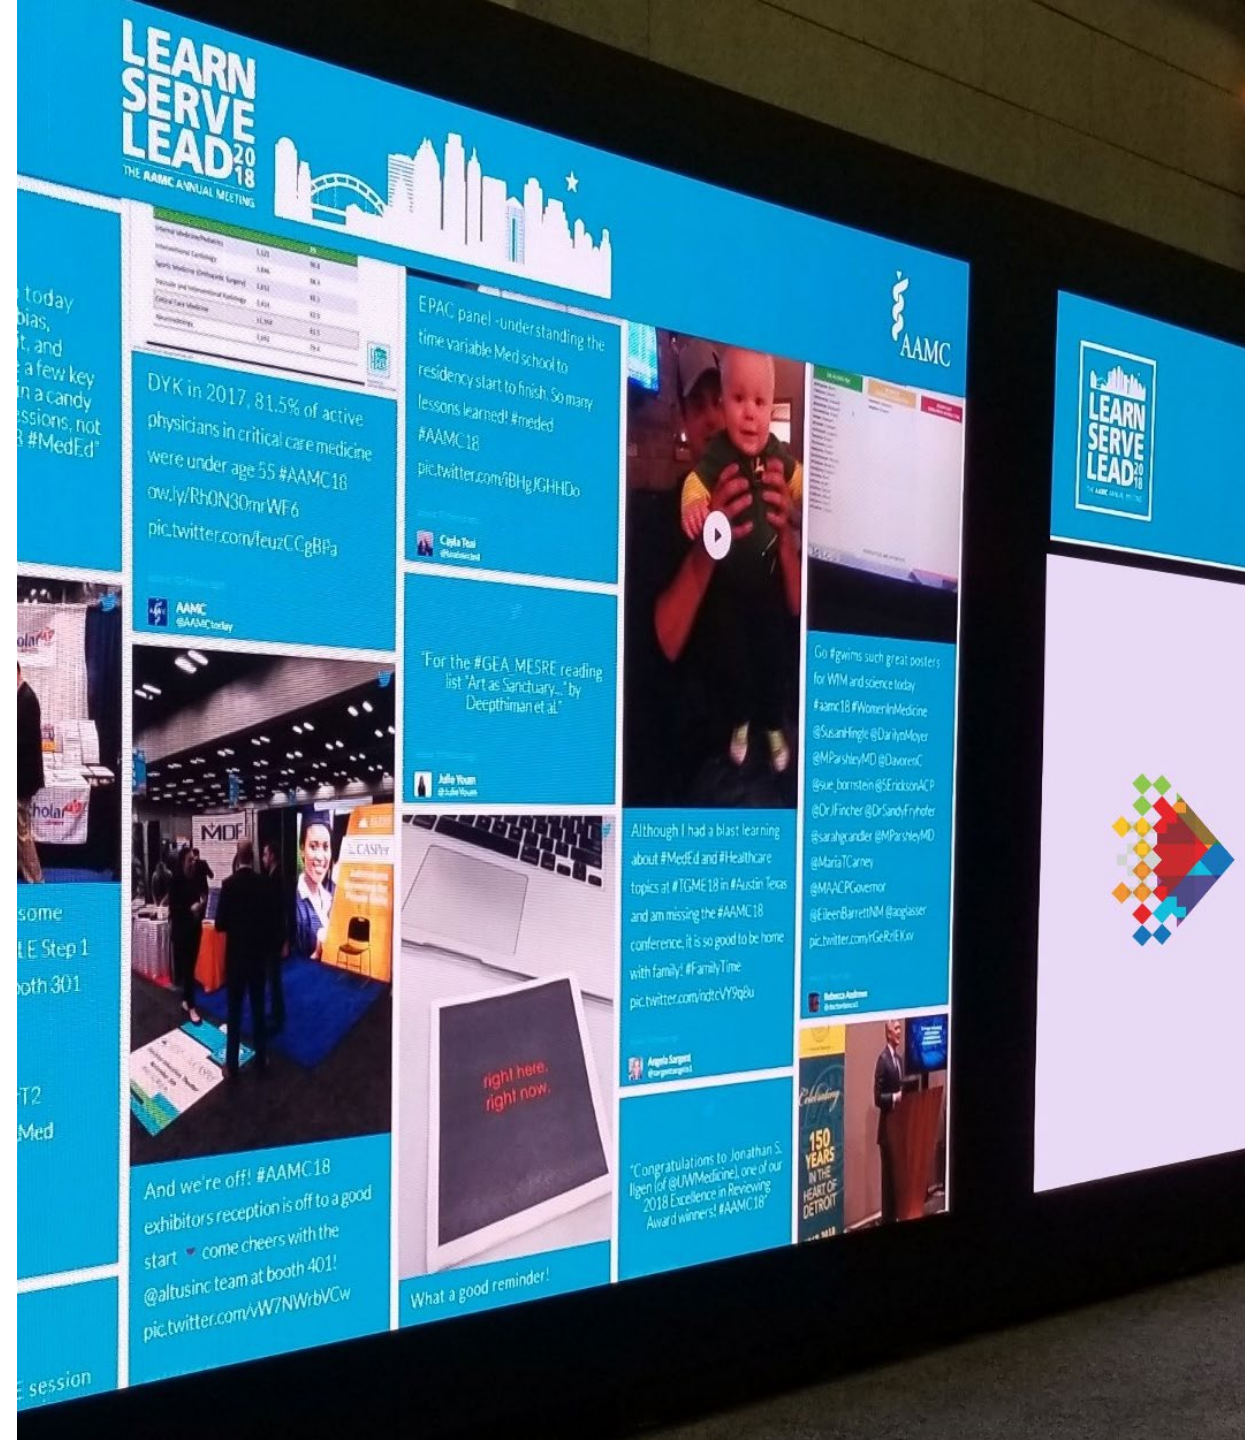

Boost session engagement and participation with sponsored segments. Capture sentiment and feedback with polls and Q&A via mobile and remote devices.

Social Media Wall

Integrate sponsor ads or sponsor-provided event photos

- Built-in filters and an admin interface enable control over what is displayed.
- Display on projectors, digital signs, websites, or any web-enabled event display device.

Wi-Fi Network Branding

Customize your Network Name and Landing Page

SSID

Use a catchy word or phrase that your attendees will immediately recognize as a sponsored network.

Redirect to a custom URL

Choose the landing page that the attendees will be directed to upon log in.

Custom Conference Portal Page

Customize landing page elements: background image, brand logo, event logo, welcome text and footer logo.

Printed Branding

Feature your sponsors on approved columns, stairs and other venue-provided locations

Sponsor Booths

Provide a custom space for sponsors to interact with participants, answer questions, or provide product demonstrations.

Catchbox Wireless Microphone

Brand Catchbox, the fun, throwable mic.

Portable Power Stations

Sponsored power stations keep their devices up and running so they can focus on your content.
